

NEXT WEEK:

READING:

Where the Red Fern Grows, We have finished the book and will be working on post activities relating to the story.

Our class will also continue to complete practice pages similar to the pages students will see on the ISATs.

SPELLING:

No spelling list this upcoming week or next. However, we will complete "spelling re-check" papers next week, which are papers that check knowledge of list words that we have tested on previously.

LANGUAGE:

- Expository writing prompts with time limits. Tips to organizing and revising one's own work.
- Discuss narrative, expository, and persuasive writing.

MATH:

We will continue to cover geometrical concepts, probability, and ratio. During the week, students will also be reviewing and practicing concepts taught previously in the year in order to prep them for their ISATs.

Dear Families,

Progress reports were sent home today. Please review, comment, sign, and return them by next week. If you have any questions, you may call the school or email me.

ISAT testing will start Monday, Feb. 22. Students are allowed to use calculators on the math [ortion of the ISAT testing. It is a valuable tool for them to use to help save time on computation of word problems. Please make sure your child has a basic calculator to use.

There is no school tomorrow to honor resident Lincoln's birthday. Enjoy a 3-day weekend!

Have a great weekend!
Ms. Miller

DATES TO REMEMBER:

- Feb. 11 - Progress Reports
- Feb. 12 - No School (Lincoln's Birthday)
- Feb. 19 - 2:00 Dismissal
- Feb. 22 - Mar. 5: ISAT Testing
