

The Tri-City Education Foundation would like to thank the Tri-City Community for supporting our 11<sup>th</sup> Annual Dinner and Auction held on Sat. March 10, 2018. We are happy to report that over \$22,000 was raised and will be put back into the school district for the educational and technology needs of the students. We thank those individuals that donated, bid, purchased auction items, raffle, 50/50 and dinner, volunteered his or her time to set-up or clean-up, organized class/student group donations, and otherwise supported the dinner and auction. The list below is our best effort to recognize individuals, families and businesses who donated goods, money or time. If anyone was left off, it was not intentional. Please pardon any incorrect spellings. Thank you all for your support, the work we do is for the kids at TC:
